

Volunteers bring hope to survivors after disaster. Disasters are an act of nature. Volunteers are an act of God! Pray and ask God "What role do I have in helping?"

If you would like to be a part of a work team, or your church or organization would like to hear more about volunteering please contact Linda Frey 610-847-5775, lwfrey@epix.net.

Perhaps you could join a group already scheduled to assist in disaster recovery. Please check the dates listed. Other volunteer dates can be arranged to fit your schedule.
